KELOWNA OWLS FOOTBALL

Owl **T.O.U.G.H.** Football

Playing football at Kelowna Secondary School is a privilege enjoyed only by those players who are willing to commit to the Owl **T.O.U.G.H.** football philosophy. Players must understand this philosophy and agree to commit to it if they wish to remain in good standing with the team.

Team

Football is first and foremost a team game. Your actions must show that you put the team first. Success in any team effort demands a commitment to your teammates. In order to bring out the best in each individual and the best in the team, you must support and trust each other on and off the field. Working well in a team setting will serve you in every aspect of your personal and professional lives, both now and in the future.

Ownership

Taking personal responsibility or ownership of our actions and attitudes is vitally important. Your actions and attitudes will define you as an individual and can have a profound effect on your team. We, as your coaches, are committed to doing everything we can to put you in the best possible situation in order to succeed. We own that commitment and expect the same commitment from you. You must be at every practice, every game and also put yourself in the best situation to succeed. You must own your commitment to your team.

Universal

Football is about developing positive, healthy and successful young men. Everything you learn on the field can be applied directly to your lives off the field. We expect you to be a diligent and hardworking student, a respectful classmate and a good citizen. You are encouraged to be an all-round student who tries new things and dares to do something new and unexpected!

Growth

As coaches at KSS, we value the growth you display over time far more than skill or talent. We want to see each of you improve in all aspects of the game. This means your full attention in practice, your best effort on and off the field and your active participation during games. If you are to grow as a player and a person you must make an honest effort in all of these areas.

Heart

We expect all of our players to compete with heart and passion. Never give up on the field, never quit on your team or yourself, and never give less than your best effort. Heart and passion is what turns good players into great players.

CONCUSSION INFORMATION SHEET

A concussion is a brain injury and all brain injuries are serious. They are caused by a bump, blow or jolt to the head, or by a blow to another part of the body with the force transmitted to the head. They can range from mild to severe and can disrupt the way the brain normally works. Even though most concussions are mild, ***all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly.*** In other words, even a "ding" or a bump on the head can be serious. You can't see a concussion and most sports concussions occur without loss of consciousness. Signs and symptoms of concussion may show up right after the injury or can take hours or days to fully appear. If your child reports any symptoms of concussion, or if you notice the symptoms or signs of concussion yourself, seek medical attention right away.

Symptoms may include one or more of the following:

Headaches	"Don't feel right"
"Pressure in head"	Fatigue or low energy
Nausea or vomiting	Sadness
Neck pain	Nervousness or anxiety
Balance problems or dizziness	Irritability
Blurred, double or fuzzy vision	More emotional
Sensitivity to light or noise	Confusion
Feeling sluggish or slowed down	Concentration or memory problems
Feeling foggy or groggy	(forgetting game plays)
Drowsiness	Repeating the same
Change in sleep patterns	question/comment
Amnesia	

Signs observed by teammates, parents and coaches include:

Appears dazed	Slurred speech
Vacant facial expression	Shows behavior or personality changes
Confused about assignment	Can't recall events prior to hit
Forgets plays	Can't recall events after hit
Is unsure of game, score, or opponent	Seizures or convulsions
Moves clumsily or displays lack of coordination	Any changes in typical behavior or personality
Answers questions slowly	Loses consciousness

What can happen if my child keeps on playing with a concussion or returns too soon?

Athletes with the signs and symptoms of concussion should be removed from play immediately. Continuing to play with the signs and symptoms of a concussion leaves the young athlete especially vulnerable to greater injury. There is an increased risk of significant damage from a concussion for a period of time after that concussion occurs, particularly if the athlete suffers another concussion before completely recovering from the first one. This can lead to prolonged recovery, or even to severe brain swelling (second impact syndrome) with devastating and even fatal consequences. It is well known that adolescents or teenage athletes will often under report symptoms of injuries and concussions are no different. As a result, education of administrators, coaches, parents and students is the key for student athlete's safety.

BRITISH COLUMBIA SECONDARY SCHOOLS FOOTBALL ASSOCIATION

If you think your child has suffered a concussion

Any athlete even suspected of suffering a concussion should be removed from the game or practice immediately. No athlete may return to activity after an apparent head injury or concussion, regardless of how mild it seems or how quickly symptoms clear, without medical clearance. Close observation of the athlete should continue for several hours. The BC Secondary School Football Association now requires the consistent and uniform implementation of long and well-established return to play concussion guidelines.

You should also inform your child's coach if you think that your child may have a concussion.

Remember, it's better to miss one game than miss the whole season and... "When in doubt, sit them out."

Parent Code of Conduct

We thank you for trusting us to coach and teach your child the game of football, which we believe supports and helps develop their personal, social, and professional lives. Parent support helps the program reach the goals we are trying to achieve. Football is an exciting game and we love the excitement it gives everyone in our community. Through our T.O.U.G.H. philosophy, we encourage the ownership of this team to be that of the players with the guidelines set by the coaches. Here are some guidelines that we ask parents to follow to help create an environment that allows the players to take that ownership and build relationships with their teammates and coaches.

As a parent/guardian of a KSS Owl football player:

1. I will encourage my child in a positive way while participating.
2. I will encourage my child to build positive relationships with their teammates and coaches.
3. I will not yell at my child or other players in a negative way during games.
4. I will not coach from the sidelines, as I understand that is the coaches' role.
5. I will not approach the coaches about my child's playing time. If my child has concerns about their role on the team, I will encourage my child to communicate that with the coaches.
6. I will respect the referees during games.
7. I will respect and show appreciation to all coaches and volunteers, as they are giving their time to help create a positive experience for my child.
8. I will follow the 24 hour rule after a game before connecting with the head coach and coaching staff.
9. I will not criticize the other players on the team about their performance on the field.
10. I will honor the BC School Sports Spectator Code of Conduct (see page 2).
11. I will encourage my child to be T.O.U.G.H.!

By signing below, you understand the guidelines above and the role that you play as a parent/guardian of a KSS football player. Any violation of this code of conduct may result in your ability and your child's ability to be involved with the KSS football program.
