

KSS Info Sheet – Online School Information

- Students can opt to take a course online through numerous online schools in BC.
- If you choose to do so, you must register for your course through the online school with instruction and support provided by the online teacher.
- Online courses require students to be self-motivated, to work independently and to have good time management skills to be successful in the course.
- KSS is NOT an online school; therefore, students must access help for their coursework from their online teacher. **Any questions or concerns must be directed to the online school and subject teacher.**
- Online courses and final marks are only recorded on a student transcript after the course has been completed and the online school reports the mark directly to the Ministry of Education.
- Students can enroll in different online courses at different schools.
- **IMPORTANT NOTE:** *Any grade 12 student who intends to use an online course for post-secondary entrance is strongly advised to research their post-secondary institution(s) thoroughly to know how the institution handles online courses for both admission and for program pre-requisites.*

Online School Options: *Finding an online school can be challenging as there are over 40 online schools to choose from in BC. Doing your research is important as you want to make sure you choose a reliable and credible online school that communicates well, marks assignments quickly, and can be easily accessed for help if needed. It is recommended you phone the online school and have a conversation with the registrar to make sure it's the right fit for you.*

eSchool23 – If students choose to take a course online, we recommend eSchool23 because they are part of SD23, making communication and support easier. This school runs from September to June and is NOT open in the summer. Use the link to see available courses and how to register. Register at: <https://eschool23.sd23.bc.ca/registration>

South Central Interior Distance Education School (SCIDES) – This school is open all year round, including the summer. Students have one year to finish their course but can be completed earlier if the student chooses. SCIDES has options for K – 12 where students can be full-time or cross-enrolled with KSS. Register at: <https://scides.org/>

North Vancouver Online Learning – This is one of the only online schools that provides French Immersion courses. They are flexible paced. Register at: <https://www.sd44.ca/school/onlinelearning>

Online Learning BC – This is a government website that provides information about online schools and courses offered in BC. Use the link to search online schools and their available courses: <https://search.onlinelearningbc.com/>
