#### Appendix 1 - COPAC UPDATE

At our meeting, we acknowledged that May 5 is Red Dress Day, the National Day of Awareness for Missing and Murdered Indigenous Women, Girls, and Two-Spirit People. This day serves as a solemn reminder of the ongoing crisis of violence against Indigenous women, girls, and 2SLGBTQIA+ individuals across Canada. The red dress symbolizes the lives lost and the voices that must be heard.

Our Board representative, Trustee Chantelle Desrosiers and Superintendent Kaardal shared updates regarding the more than \$5M budget pressure in our district this year and the ways SD23 staff have recommended we deal with budget challenges. Thankfully we will not see a loss to teaching or CUPE staff. There have been some changes made at the district level but all efforts have been made to maintain service levels across the district. Please share questions or concerns with us anytime.

We discussed the work COPAC is doing with our provincial partner DPACs on advocacy for increased funding to public education in BC. We are particularly focused on increases to address inflation over the last several years and increased costs of teacher and staff illness. COPAC is signed on to a letter to Premier Eby along with other DPACs. If your PAC would like to send a letter, please connect with Nicola for help on content. We have also included a "backpack" template if any students or families would like to write a letter to the Premier about how underfunding the education system impacts them directly.

We discussed how PACs can connect with their school Principal to hear about how budget pressures are impacting your school and to collaborate on meeting the pressures in creative ways. Consider your PAC financial support may be best used in a different yet still meaningful way in tighter budget years. We want to make it clear that PACs cannot fund staffing or core operational needs—but they can support a more nuanced approach to easing strain. Please reach out if you would like to discuss.

\*\*It's budget season for SD23 – If you are interested in the budget development discussions, School Board meetings and Board Planning and Finance committee meetings are open to the public. See this link for upcoming meeting agendas.

https://pub-sd23.escribemeetings.com/?Year=2024

As it is budget season in SD23, it's a great time to request your school principal share their School level budget with your PAC. There may be opportunities at this time of year to have input on a number of budgetary decisions for your school as well as work in a more collaborative manner to plan your PAC budget for 25/26 school year in support of school wide goals.

# \*\*COPAC Events:

- COPAC Discussion on BCCPAC Resolutions for any interested PACs May 15 6:30pm https://sd23.zoom.us/meeting/register/Fjp3TMK4T16nhimQCcPBcg
- COPAC Social on May 27 6:30-8:30pm. <u>PLEASE RSVP</u> COPAC Executive will once again be holding a fun, informal social event to show appreciation and celebrate another successful year. This year the social will be held at Central School gym (1825 Richter St, Kelowna, main entrance is on DeHart Ave). We would love to see PAC Presidents, COPAC Reps and if you'd like to bring another PAC executive from your team, please let us know so that we can accommodate numbers. We will have snacks and non-alcoholic drinks. <a href="https://forms.office.com/r/cj1iMByTKb">https://forms.office.com/r/cj1iMByTKb</a>
- SAVE THE DATE: COPAC will be hosting Hannah Beach -Understanding Adolescence workshop for parents. Save the date: October 16th, 2025 via zoom. More details to come in the fall.

BCCPAC AGM May 23-25, Prince George BC and Online

**Proxy forms are due May 14th to BCCPAC**. **Please have your signed proxy forms to COPAC ASAP.** Thanks to everyone who has already returned their signed proxy forms and assigned their Proxy vote to COPAC.

COPAC President, Nicola Baker, will be attending the AGM in person on behalf of COPAC, parents of SD23 and any member PACs wishing for us to carry a proxy for you.

Proxy form: <a href="https://www.bccpac.bc.ca/index.php/events/conference-agm/agm/proxy-form">https://www.bccpac.bc.ca/index.php/events/conference-agm/agm/proxy-form</a>

# \*IMPORTANT: BC Gaming Application Deadline June 30 and BCeID

PAC Gaming grant applications are open now until June 30. Please ensure your PAC completes this application process as Gaming has been unforgiving to late applicants the last few years. Please also remember to ask your treasurer to register for a BCeID for your PAC. BC Gaming now requires all PACs to have a BCeID to submit gaming registration and reports. This can take some time as the code comes via letter mail to your school. Please ensure you let your school admin team know that you are anticipating this mail as it arrives addressed to the "Chief Financial Officer" and unfortunately we have seen some letters arrive without the "Parent Advisory Council/PAC" title as it seems to be too long for the address line. This can be confusing for your school administration!!

# \*Summer Camp Registrations

Note that Geering Up UBC-O, WWEST and CampOC are accepting registrations for summer camps.

# \*Community Partner Resources

Several of our community partners have reached out and asked us to share materials for your PAC and for your parent communities. See the attached fliers from:

- WWEST West Coast Women in Science, Engineering, and Technology is an inspiring team of STEAM educators bringing hands-on science learning to youth across western Canada. We're fortunate to have them based in Kelowna and actively involved in our STEAM Ecosystem BC Okanagan. WWEST regularly visits SD23 classrooms, offering free science workshops, and participates in school carnivals and community events. They're also available to partner with your PAC to host exciting STEAM events at your school. While their services are free, WWEST is grantfunded—so donations make a big impact and are often matched by grant programs. Please consider supporting WWEST to help them continue their incredible work in our community!
- **BGC Okanagan** Restorative Justice Program (we will work to bring this team to a future COPAC meeting in the fall of 2025). This group is available to attend your school PAC meeting to speak to parents in your community about their programming.

\*Ministry of Education & Child Care: Recently MECC has supported several sessions by Open Parachute on Substance Use Prevention. Recordings of 2 sessions are available online.

- Session 1 <u>Substance Use Prevention: A Guide for Parents</u>: This session focuses on practical **conversation tools** for speaking about substance use prevention with your children.
- Session 2 <u>Substance Use Prevention Part 2: Mental Health & Decision-Making</u>: This session focuses on the specific skills that you can teach your child and youth that lead to substance use prevention.
