Sustainability Club	Ms. D. Margetts	Lunch Rm 145				

Safety of your Child at Non-Sanctioned Graduation Events

For each of our grade 12 students, the graduation year is one of the most special and celebrated milestones to date. We have several events that we are still organizing and support at KSS for your Grade 12 student. These events may look different or may be cancelled depending on the status of COVID-19 and the restrictions. Administrators, teachers, parents and students work very hard to organize these events and ensure all safety concerns are addressed. Grad Winter Formal, Grad Fun Night, Prom and the Convocation Ceremony are just a few activities that we plan and prepare for your child's enjoyment.

Unfortunately, there are other non-sanctioned grad events that we do not supervise nor support. The activities are organized and arranged by graduates themselves that include "grad kidnappings" and subsequent "bush parties" that take place in our community.

We want to be clear that we have serious concerns regarding student behavior and safety at all of the above-mentioned non sanctioned events. There has been incidents of serious injury to students and we strongly caution and counsel parents to investigate these non-sanctioned activities carefully.

The staff at KSS want your child's grade 12 year to be positive, memorable and safe.

The **TD Scholarship for Community Leadership** rewards students who have shown leadership in the areas of local employment programs, environmental cleanup, support group creation, and family services initiatives. Twenty students from different communities across Canada received this scholarship last year.

As a Student Leadership Advisor, you are in a unique position to help your students learn about this scholarship. Or perhaps you know a student in grade 9, 10 or 11 who, with a little coaching, could easily become a strong candidate. This scholarship is open to all students in Canada in their final year of high school or CEGEP.

Applications for 2021 are now open. Final applications are due November 15, 2021. Let your students know about this opportunity, and visit the website to learn more: www.tdcanadatrust.com/scholarship

The TD seminar on applying for scholarships is outstanding and should be viewed by any student thinking of applying for any scholarship. It is found on our Google Drive [here](#).

TRADES TALK TUESDAYS 2.0

We're back and this time, we're talking with Red Seal Trades Instructors!

Every Tuesday this fall, OC Instructors will be providing an insider's look into skilled trades programs, shops, labs and kitchens. During these live-streamed virtual presentations, find out about admission requirements, employment outcomes and what it takes to be a successful student and tradesperson. Trades Talk Tuesdays are designed for people who are interested in learning more about entry-level trades training opportunities at the Kelowna, Vernon, Salmon Arm and Penticton campuses.

Registration for each virtual event is required. Sessions will be recorded and available after the event. Review presentation dates and to register, visit:

KSS'S CURRENT PRODUCTION 2021-22 SEASON

FALL PRODUCTION

TREASURE ISLAND

Kelowna Secondary School's NIGHT OWL THEATRE COMPANY is proud to present *Treasure Island* this holiday season. Adapted by Todd Espeland from Robert Louis Stevenson's thrilling pirate adventure, this play will give you an action packed evening of live theatre that will leave you whistling sea shanties for days! Our play begins in the mid 1700's, along the coast of England, and ends up with a harrowing escape from the deserted Skeleton Island. There are treasure maps, sword fights, outlandish characters, and of course, pirates. The author, Espeland, does an amazing job keeping the gritty feel of the time, while making it a story fit for all ages of the 21st Century. We hope you can join us!

Prices are **\$10** for students/seniors and **\$15** for adults. We will be donating \$1 of each ticket to the Foundry here in Kelowna.

VOLUNTEER OPPORTUNITY!

The Kelowna Art Gallery is looking for students to volunteer on Family Sundays.
Contact the KSS Career Centre to apply!

Weekend Backpack Program for Children in the Central Okanagan!

Impact Tomorrow Foundation ("ITF") is pleased to kick off a \$120,000 campaign to support Kelowna's own, **Food for Thought program**. Together, and through the power of matching funds, we will help fund their Weekend Backpack Program for the entire 2021/2022 school year.

The **Weekend Backpack Program** assists children that are most at-risk in our community by providing them with healthy food packaged in a backpack to take home on weekends.

As we all know, **hunger doesn't take the weekend off**. Food insecurity in the Central Okanagan has increased by 39% during the COVID pandemic.

Peter Boyd, owner of Peter's Independent Grocers, and Al Hildebrandt, Founder of Impact Tomorrow Foundation, are working together on the Food for Thought's Backpack program, with their personal and financial support and they are asking you to join them in their quest to raise \$120,000.
https://trellis.org/impacttomorrow_foodforthought

Kids and their families continue to face a lot of uncertainty. Each week, Food for Thought's 53 volunteers gather to package nutritional food items for their Breakfast Program and Weekend Backpack Program. Working across School District 23, the Breakfast Program serves 1,700 children per day who without this assistance go to school on an empty stomach. The program helps support a healthy start to the day and the nutrition required to learn and engage while ensuring they have the energy they need to get through each school day.

Food for Thought serves local elementary, middle, and secondary students families facing challenges and working hard to support these children and fill the hunger gap. The Backpack contains fresh vegetables, fruit, snacks, and enough nutritious food to last the weekend and into the school week.

British Columbia has one of the highest child poverty rates in Canada with 20% of children living below the poverty line. With the ever-increasing cost of rent, food, and other household expenses, families in our community are struggling to keep food on the table throughout the week. It's often embarrassing for children attending school to not be like their peers with a full and assorted lunch box. Equipping these children with a Weekend Backpack full of nutritious food helps reduced stress and gives them energy to learn, play, and grow.

It's hard to believe that In the Central Okanagan, there are over 5,900 children at risk of food insecurity. Food For Thought's Weekend Backpack Program is a necessity for children experiencing hunger which generates positive changes in schools, communities, and our society. Proper access to nutrition is shown to improve capacity to learn, reduces stress and anxiety, boost attendance and punctuality, foster student's sense of engagement and belonging, while promoting greater nutritional awareness.

The Annual cost to execute the Weekend Backpack Program in response to recognized needs is \$150,000. At this time, 20% has already been raised.

Cheryl Hoffman, Food for Thought Coordinator, notes "We need to raise \$120,000 in the next 3 months so we can safeguard the program for the 2021/2022 school year. Too many children in our community come to school on Monday having not eaten much over the weekend. Raising money during this Covid season for these often-forgotten children and families is not easy; we want to make certain children in our community are given every chance to succeed."

When schools closed at the start of COVID, children relied on Food for Thought for stability and nutrition during these challenging times. Together we can make a difference and brighten their days!

The Impact Tomorrow Foundation has generously agreed to match each dollar raised up to \$60,000. The impact of this campaign will ensure over 5,000 backpacks are delivered this school year, to children at risk. Each Weekend Backpack of food which contains 9 meals and extra snacks so that a child has more than enough to make a difference.

You can donate online at https://trellis.org/impacttomorrow_foodforthought

Food for Thought will receive 100% of the net proceeds from this campaign to fund the Weekend Backpack Program.

We are inviting and encouraging you to join us for this worthy community project to help reduce the pain and stress weekend hunger puts on our local children.

For more information, reach out to the Food for Thought Program Coordinator - Cheryl Hoffman.

Call or text (250) 899-7777.
