2021 -2022 - Grade 10 and 11 Course Selection for coming year

For KSS students in Grade 10 and 11, the counselors and administration team will be presenting to our student body about the course selection process for the 2021- 2022 school year.

On Tuesday Feb 9th (grade 10) and on Wednesday Feb 10th (grade 11), students will learn how to select their courses they would like for next year. Staff will be zooming into students' classes with a detailed presentation. We will record this zoom presentation and post it to our website for those that may be absent and for our online e-school students returning to us next year. During these presentations, students will be given a course selection-planning document to help them determine what classes they need for their graduation plan.

On Wednesday Feb 17th, KSS will be hosting a Parent Information Night at 6:00 pm. At this time, we will be presenting the same information that we presented to grade 10 and 11 students the week earlier. At the end, we will also be able to answer some general questions. If parents have specific questions about their child, we encourage you to reach out to their school counselor or their alpha vice- principal.

Please sign up using this link <https://forms.gle/sh5hkR2fYPDcr3WD6>

by Feb 16th to receive an invite for the Parent Information Zoom Link.

The link will be sent to you on February 17th to the e-mail address that you request.

The week of Feb 22nd – Feb 26th, counselors and administration will be going into classes and will have students select their classes online. It is very important for students to be prepared at this time on what they would like to take for next year. If students are not prepared, students may not get the courses they would like.

If you have any questions please feel free to email your counselor or your alpha Vice-Principal

Message from the International Education Department

International Education is currently looking for host families for Kelowna Secondary (KSS) students. Families with school aged children, residing in a single family home are encouraged to apply at their earliest convenience.

- **Host families for boys**
- **Host families for girls arriving April 2021**

Since September, Central Okanagan Public Schools has welcomed 282 international students into local schools. In Canada over 15,000 K-12 students have arrived safely, followed all quarantine measures, and are attending schools across the country. Students are required to submit a negative COVID-19 test taken within 72 hours of their departure from home country. There have been no cases of COVID-19 linked to international student travelers arriving to Canada to date. Canada's border remains open for students with study permits and international students travelling to our school district do so under the requirements of governments and health authorities.

For more information about hosting an international student, please contact KSS homestay coordinator by email Nathalie.Messent@sd23.bc.ca or by phone 250-470-3258.

Families are reimbursed \$900/month for expenses. Thank you in advance for your kind support of the International Education program and our International students!

Tune in to see some of the talent KSS has to offer!

About COBSS

The Central Okanagan Bursary and Scholarship Society (COBSS) is a charitable foundation with local **volunteers** coordinating financial assistance for our high school graduates for their post-secondary education.

We collect and administer money from area **donors** including community and school groups, businesses, and individuals. Through COBSS, local grade 12 **students** can apply for over 550 awards. Criteria is set by the donor to recognize student achievement (such as citizenship, scholastic or athletic achievement) and/or to assist with financial need for further education.

New donors and volunteers are always welcome!

Email us at COBSS@shaw.ca and visit our website at COBSS.sd23.bc.ca

COBSS 2020 graduation stats:

- 567 awards
- 442 recipients
- \$513,480 total donations

Donor Comments

"Many bright students shy away from post-secondary education because of the financial challenge. We like to do our small part to help those less fortunate than ourselves."

BACHELOR OF ENGINEERING IN SOFTWARE ENGINEERING

Create your own path with a
career in Software Engineering

Do you want a career that allows you to make an impact, and that is part of one of the fastest growing and most in demand professions in Canada? Do you want to contribute to the ever-growing need for software based solutions across a variety of industries and professions?

With a focus on skill-based learning and a commitment to small class sizes, the Software Engineering program at TRU provides a hands-on experience led by industry professionals. By blending engineering, business, computing science, project management and quality assurance, students receive a well-rounded and multi-faceted education that equips them with skills needed for the workplace.

EXPERIENCE HANDS ON LEARNING

The program's focus on experiential learning includes two mandatory co-op work terms in the fourth year of the program, which puts students in the position to be a paid employee before graduation and have opportunities to test-drive the wide variety of career options available in software engineering.

Career Paths in Software Engineering

- Manufacturing
- Research
- Medicine
- Automobiles
- Banking
- Technology companies such as Google, Amazon and Facebook
- Entertainment

THE TRU SOFTWARE ENGINEERING ADVANTAGE

- Offers strong foundations in principles and practice of software systems development, and related computing technologies.
- Students develop knowledge of the tools, technical skills and competencies required to design, develop, test and maintain cycles of software product.
- Emphasis on project-based learning practices that apply theoretical concepts to practical problems.
- Co-op work terms to gain relevant, paid work experience in industry.
- One-year design capstone project from real world industry to gain in-depth experiential learning.

January 22, 2021

Dear Parents/Guardians and School Community:

The Ministry of Education passed Bill 36, the School Amendment Act, which eliminated the Standard School Calendar. As a result, school districts are now required to establish their own school calendars. The calendar committee is comprised of representatives of the partner groups in the Central Okanagan Public Schools including the Central Okanagan Teachers' Association (C.O.T.A.), Canadian Union of Public Employees Local 3523 (C.U.P.E.), Central Okanagan Principals and Vice Principals' Association (COPVPA), and the Central Okanagan Parent Advisory Council (COPAC). This committee has met to draft a proposed school calendar (attached), which meets the requirements of Bill 36.

Section 87.01 (7) of the School act requires consultation on school calendars. A board must make public a proposed school calendar one month before submitting it to the Ministry. We are inviting the community to review the proposed calendar for the 2021/2022 school year and to provide input to the proposal before it is discussed by our Board of Education at a public meeting.

I invite you to provide your input about this proposal by Friday, February 19, 2021 by completing a very brief survey at the link below:

<https://ca.research.net/r/2021-2022SchoolCalendarSurvey>

We anticipate that the finalized 2021/2022 school calendar (once approved by the Board of Education) will be provided to parents early this spring. A copy will be provided directly to you through your child's school.

Thank you for your time in reviewing this proposal.

Yours truly,

Bob McEwen
Executive Director of Human Resources
