## **CONCUSSION INFORMATION SHEET**

A concussion is a brain injury and all brain injuries are serious. They are caused by a bump, blow or jolt to the head, or by a blow to another part of the body with the force transmitted to the head. They can range from mild to severe and can disrupt the way the brain normally works. Even though most concussions are mild, ***all concussions are potentially serious and may result in complications including prolonged brain damage and death if not recognized and managed properly.*** In other words, even a "ding" or a bump on the head can be serious. You can't see a concussion and most sports concussions occur without loss of consciousness. Signs and symptoms of concussion may show up right after the injury or can take hours or days to fully appear. If your child reports any symptoms of concussion, or if you notice the symptoms or signs of concussion yourself, seek medical attention right away.

### **Symptoms may include one or more of the following:**

### ***What can happen if my child keeps on playing with a concussion or returns too soon?***

Athletes with the signs and symptoms of concussion should be removed from play immediately. Continuing to play with the signs and symptoms of a concussion leaves the young athlete especially vulnerable to greater injury. There is an increased risk of significant damage from a concussion for a period of time after that concussion occurs, particularly if the athlete suffers another concussion before completely recovering from the first one. This can lead to prolonged recovery, or even to severe brain swelling (second impact syndrome) with devastating and even fatal consequences. It is well known that adolescents or teenage athletes will often under report symptoms of injuries and concussions are no different. As a result, education of administrators, coaches, parents and students is the key for student athlete's safety.

## BRITISH COLUMBIA SECONDARY SCHOOLS FOOTBALL ASSOCIATION

***If you think your child has suffered a concussion***

Any athlete even suspected of suffering a concussion should be removed from the game or practice immediately. No athlete may return to activity after an apparent head injury or concussion, regardless of how mild it seems or how quickly symptoms clear, without medical clearance. Close observation of the athlete should continue for several hours. The BC Secondary School Football Association now requires the consistent and uniform implementation of long and well-established return to play concussion guidelines.

You should also inform your child's coach if you think that your child may have a concussion.

**Remember, it's better to miss one game than miss the whole season and... "When in doubt, sit them out."**

## Parent Code of Conduct

We thank you for trusting us to coach and teach your child the game of football, which we believe supports and helps develop their personal, social, and professional lives. Parent support helps the program reach the goals we are trying to achieve. Football is an exciting game and we love the excitement it gives everyone in our community. We encourage the ownership of this team to be that of the players with the guidelines set by the coaches. Here are some guidelines that we ask parents to follow to help create an environment that allows the players to take that ownership and build relationships with their teammates and coaches.

As a parent/guardian of a KSS Owl football player:

1. I will encourage my child in a positive way while participating.
2. I will encourage my child to build positive relationships with their teammates and coaches.
3. I will not yell at my child or other players in a negative way during games.
4. I will not coach from the sidelines, as I understand that is the coaches' role.
5. I will not approach the coaches about my child's playing time. If my child has concerns about their role on the team, I will encourage my child to communicate that with the coaches.
6. I will respect the referees during games.
7. I will respect and show appreciation to all coaches and volunteers, as they are giving their time to help create a positive experience for my child.
8. I will follow the 24 hour rule after a game before connecting with the head coach and coaching staff.
9. I will not criticize the other players on the team about their performance on the field.
10. I will honor the BC School Sports Spectator Code of Conduct (see page 2).

By signing below, you understand the guidelines above and the role that you play as a parent/guardian of a KSS football player. Any violation of this code of conduct may result in your ability and your child's ability to be involved with the KSS football program.
