We Are Families and we serve families

Are you looking for help or information about mental health support and services for your child or youth?

We know how important you are, and that you might need some support now too. We are also parents of kids with mental health and/or substance use challenges. We are here for you and we want to help.

Here are some of the ways we can offer support to you and your family:

PARENT PEER SUPPORT

We provide emotional support, information, resources, and help in navigating services for parents & caregivers of a child, youth or young adult with a mental &/or substance use challenge.

EVENTS

Every month, we host events called 'in the know.' We watch a video and share experiences and strategies that help in the hard moments. We help focus on strengthening our understanding & connection with our kids. Events are facilitated by FamilySmart Parent Peer Support Workers. Offered online and in person in some communities.

RESOURCES + VIDEOS

Our website has free resources and videos on topics important to families who are parenting a child or youth with a mental health and/or substance use challenge.

WORKSHOPS + TRAINING

We offer workshops for parents and caregivers whose child/youth has been a patient in a psychiatric unit. It's really tough when your child is struggling and ends up in crisis - and we want to help.

We also offer training that brings together young people, parents/caregivers and professionals to learn with and from each other to help experiences between them go better.

OUR SERVICES ARE FREE. NO WAITLIST. WE GET IT.
