2022 KSS Grad Information

Graduation:

The time has come to register for your June 4-5 walk across the stage at Kelowna Secondary School. Please follow this link: <https://signup.com/go/JdZZSMV>.

Some things to note:

- If you must alter your time, please be sure to cancel your original spot so that it opens up for other graduates.
- If you are booking a spot for your graduate, please confirm that they have not already signed up on their own.
- Use the email address that you check most often.
- Please do not book more than one spot unless you have two graduates.
- Please sign up using your graduate's preferred last name, then first name.
- Each graduate may bring 6 guests
- These stage-crossings will be recorded by a professional production company and released in full alphabetical order with valedictorian speeches on June 24. It will then be available to view for years ahead.
- Grads have the opportunity to sign up with their friends, but within those groups, they will cross the stage alphabetically.

Please stay tuned for specific logistical information

Valedictorian - Both applications and nomination forms for valedictorian can be found outside room 193 this week. All applicants and nominees will undergo a rigorous interview and speech presentation process, and the finalists will be chosen by a panel of graduates and KSS staff. Applications are due to Ms. Culham in room 193 at 3:30pm this Friday, April 29, and nomination forms are due at 3:30pm on Thursday, April 28. The successful candidates will be announced at the prom on May 20.

Prom - After we released our exciting prom information last week, we received a handful of questions, which we will answer below. Our parent and staff committee has worked hard since November to create an event that is unique, safe, inclusive, and affordable while providing a formal celebration that our graduates deserve. KSS would like to thank those involved and those who have since volunteered to make this night a reality.

Q. Is this event prepared for adverse weather?

A. Yes. We have booked large marquis tents with sides to protect from rain. As weather during the month of May in Kelowna can be unpredictable, graduates should be prepared with umbrellas and sunscreen.

Q. Can my graduate's date from outside of the KSS graduating class walk with them on the promenade?

A. Yes! Anyone can participate in the walk; however, the size of our graduating class prevents us from accommodating outside guests for the prom event. We understand that this is unfavourable news for some, but it is an unavoidable result of having the largest graduating class in B.C.

Q. Does my graduate have to attend the prom in order to participate in the promenade?

A. No. All graduates are included in the promenade, and if they choose to celebrate in their own style with their dates, friends, or families, they will simply follow to the end of the promenade and exit once they reach Stuart Park.

Q. Is the cost of food included in the ticket price?

A. Yes! We have arranged for local food trucks to provide dinner and dessert for our grads, with a variety of vegetarian, vegan, and gluten-free selections. When grads purchase their tickets in-person on May 3, 4, and 5, they will have the chance to select their options then so that the companies can be prepared for our orders. We have purposely selected food options that will not lead to ruined formal-wear.

Q. Can the grads purchase additional food?

A. Unfortunately not. Stuart Park is part of the Sawmill Trust, which means that no commerce can take place on-site.

Q. What does the ticket cost include?

A. The \$65 ticket covers dinner, dessert, beverages, rental of the venue, security, fencing, DJ, decorations, tables, chairs, tents, and a professional photobooth and roving photographer.

Q. What about students who cannot afford the ticket?

A. The goal of the Spring Fling on April 13 was so that proceeds could go toward ensuring that any graduate whose attendance at the prom would be prohibited by cost would have an opportunity. Please contact dayna.culham@sd23.bc.ca for more information.

Q. Will there be a coat check?

A. Event organizers will not take responsibility for graduates' belongings. There will be tables and chairs on which to leave belongings and roving security, as well as parental supervision.

Q. Will there be washrooms?

A. Yes! While we do not have access to public washrooms, we have arranged for porta-potties that will be gender-neutral and which will allow ample space for large dresses.

Please contact KSS reception with any questions, and you will be forwarded to the appropriate person.

For many BC employers, a SiteReadyBC certificate will become mandatory for all new employees upon first entering a construction site.

UBC UPDATES

We are hard at work evaluating the more than 55,000 applications that we received for the upcoming Winter Session. Admission decisions are made on a rolling basis and some students have now received their offers.

Maintaining offers of admission

UBC offers of admission result from a comprehensive assessment of a student's academic and personal profiles. Offers are conditional. Once final grades are available, we will review these to ensure students have:

- completed secondary school with a high school diploma,
- completed the course requirements for the degree to which they were offered admission,
- maintained the level of academic standing upon which the offer of admission was made.

Applicant grade information in the SSC

There is a known technical error with the high school record section of the Student Service Centre (SSC). As a result, what can be seen in an applicant's

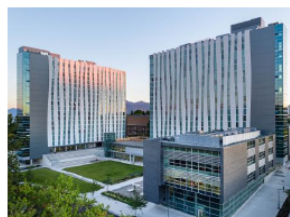

account doesn't accurately reflect the information we have on record for their application. Please inform your students to disregard the information listed in the high school record section. Our apologies for any confusion.

Supporting students through their next steps

Vancouver students

Vancouver students are assigned an individual [Enrolment Services Advisor \(ESA\)](#) who will personally introduce themselves by email shortly after the May 1st admissions acceptance deadline. For questions about degree planning and courses, students should connect with their faculty's [academic advising office](#).

Okanagan students

Okanagan students are supported by a [Student Services team](#) who can help with a full suite of topics ranging from student loans to academic advising. To connect with a member of the Okanagan team, students can call, email or book an advising appointment online.

Registration deposit deferral for Indigenous applicants

If a student self-identifies as an Indigenous person of Canada in their UBC application, their registration deposit will be automatically deferred. This is part of UBC's effort to support students who are being funded by third parties, including their band or Nation. [This blog post](#) covers everything you need to know about deferrals for all students.

Click the blue button (below) to learn more about the in-person and virtual summer camp programs happening in July. The deadline to apply is Sunday, May 1st, 2022 at 11:59PM PST.

Summary: What to Do When Sick

What to do if someone is sick in your household:

You can continue to attend school if someone in your household is sick and/or self-isolating as long as you do not have any symptoms of illness and feel well. This includes if they have tested positive for COVID-19. Ensure you closely monitor yourself (or your child) for symptoms of illness and stay home if you feel unwell. The best way to protect yourself and your family from COVID-19 is to get vaccinated. Vaccines are available for anyone ages 5 and up. Register now at:
